In addition, Evacuation place will be open depending on condition and level of disaster and you need to have contact when you are evacuating.

- \* When Typhoon is approaching, you might fall down or be injured by strong wind being outside. Please avoid going outside. When you go outside by necessity, you should wait till the wind get weaker and take an action.

### ● Lending system and Solatium system when disaster

⇒ Civil Life Division

There are Lending system and Solatium system which will be given depending on level of damage when your house got damaged by disaster like typhoon.

- Disaster Solatium system

This is the system which gives you Solatium when its fire disaster is not applicable to Disaster Relief Act, or your house is partially destroyed by windstorm and flood damage.

- Lending system for disaster recovery houses etc.

We do lend you some money you need to recover the damage from the bank when your house or land got damaged by disaster or fire, or you need to recover them immediately to prevent worst situation.

(Maximum amount 3,000,000yen)

- Lending system for disaster living expenses

We do lend you some money you need as for living expenses to support your independent living from the bank when your house or land is partially destroyed.

(Maximum 1,000,000yen)

※In addition to above, when your house or land is fully-destroyed, Nagasaki Prefectural Children Saving Fund System will give you clothes or stationeries for these children who is damaged by disaster. Sasebo City is accepting applications.
