Means of transportation

 Train

There are JR and MR. You can take the JR train to Huis Ten Bosch and Nagasaki. You can also take the MR to the downtown area. Get on at Sasebo and get off at Sasebo Chuo.

 Bus

“Saihi Bus” operates within Sasebo City. The bus stop is located at the rotary in front of Sasebo Station or at the bus terminal. For the Pearl Sea Resort bus departs from bus stop No. 6 in front of Sasebo Station.

 Taxi

Taxis are available at the international terminal, but since free taxis are often limited when many people use apps, we recommend using apps such as Uber, DiDi, and Go.
