

# For ties, mutual support and a safe life

~Join “Chonai-kai” (or “Jichi-kai”) !~

“Chonai-kai” (or “Jichi-kai”) is the most basic unit of association composed of the local community. It's familiar to Sasebo residents with its spirit of “mutual support among neighbors”. For safe and secured life, it's working on many issues happened in the community. But unfortunately year by year, less and less people are joining in “Chonai-kai”, which could serve as a strong bond in the community. Its activities are indispensable for daily lives of local residents. Join “Chonai-kai”!

For making the town better, “Chonai-kai” (or “Jichi-kai”) is now trying the followings:

## Management

It's managed by the president and the board members elected by participants, according to the annual schedule and budget plan, based on the participants' agreement. Its running cost is paid by participants.

## Disaster-crime prevention

It's very helpful for emergency. The participants exercise anti-disaster drills, patrol for crime prevention, install and maintain security lightning, etc.

## Welfare • child rearing

It holds “Keiro-kai” and “Kodomo-kai” (meeting for the aged and for children), watches over the aged and confirms the safety of the children's school route, etc.

## Environment Beautification

It cleans up the town, mows grass, install and maintain garbage points and develops the “flower-planting” campaign, etc.

## Friendship and Exchange

It holds activities for recreation, convivial meetings, local festivals and local sporting events, etc.

## Information service

It distributes information publications such as City Magazine or others and works on demands for the administrative authorities in case of need.
